(Practising Christians are children who regularly attend a Christian Church or children whose parent(s) do so. A Christian Church is one so defined by the Churches together in Britain and Ireland or one which is a member of the Evangelical Alliance. Regular attendance is defined as at least once a month over a period of at least 12 months immediately prior to making an application to start at Christ's College. This fact will need to be verified by the Church leader e.g. Vicar, Priest, Curate, Pastor or Minister using the form overleaf. This should be given to the Minister to complete and return to the College. It is then the responsibility of the parent to ensure that this has been returned to the College by the Minister before the final date for applications.)

In the event that during the period specified for attendance at worship, the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance, will only apply to the period when the church or alternative premises have been available for public worship.

Church Minister's Verification Form

The child named overleaf has applied to Christ's College as their secondary school. One of the criteria for admission is that the child or parent(s) are practising Christians. Our Admissions Policy defines practising Christians as stated below.

Practising Christians are children who regularly attend a Christian Church or children whose parent(s) do so. A Christian Church is one so defined by the Churches together in Britain and Ireland or a member of the Evangelical Alliance. Regular attendance is defined as at least once a month over a period of at least 12 months immediately prior to making an application to start at Christ's College. This fact will need to be verified by the Church leader (eg Vicar, Priest, Curate, Pastor or Minister).
In the event that during the period specified for attendance at worship, the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance, will only apply to the period when the church or alternative premises have been available for public worship.

If this application is to be considered under Criterion 2 of our Admissions Policy, i.e. 'Practising Christians' the Church leader must return this form directly to the College by the published closing date. It is then the responsibility of the parent(s) to ensure that this has been returned to the College by the Church leader before the final date for applications.
